## 13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work)\*

We are constructing a water and gas gathering system in the area that will allow this well to be produced after completion. The length of the lines and other pipeline projects has pushed this project beyond where we first planned. Completion will take place by December 31, 2007.
