Burlington wishes to advise the BLM of our plans for drilling the subject well. Drilling was delayed due to weather conditions which prohibited us from finishing wells scheduled before the Mudge Federal wells. We are currently preparing the location to be "rig ready" and should have the construction phase finished by 12/18. Drilling plans are to move to the Mudge Federal #1E approx. 12/22/07 before we drill the Mudge Federal #2 which is scheduled to be drilled 12/27/07.
