13 Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof if the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands Attach the Bond under which the work will be performed or provide the Bond No on file with the BLM/ BIA Required subsequent reports shall be filed within 30 days following completion of the involved operations If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed Final Abandonment Notice shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection)

Chevron MidContinent, L.P. respectfully request an extension on the existing APD for the above mentioned location. Due to change of ownership and our current drilling program, we have not yet been able to drill this location. Should weather allow us, we plan on drilling it December 2007, however this will vary on the weather. Should you have any questions or require any additional information, please feel free to contact us at anytime.

This final approval expires 12/7/08
