13. Describe Proposed or Completed Operations

There were Tribal issues on this well that need to be resolved before we could drill the subject well. Plans are to drill in 2008. Please extend the APD on this well. Attached is the new project proposal that we will be using to drill the well. This is type 2 of our master drilling plan.

APD will expire 6/12/2008

14. I hereby certify that the foregoing is true and correct.
