Elm Ridge Exploration Company, LLC has been requested by the landowner, Wendy Stevenson, to leave this well as a water well for stock use. As a result, we request permission to set cement plugs as previously approved up to and including the Nacimiento formation. We would not set the surface plug, to allow for landowner conversion to a water well.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☐, a general permit ☐ or an (attached) alternative OCD-approved plan ☐.
