13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Due to increased water production from a recent workover, Four Star Oil & Gas Company respectfully submits for your approval this Sundry NOI to set a temporary 210 Bbl above grade tank in order to provide additional capacity till the water production drops. This work will all reside on the current pad, thus no "new disturbances" are anticipated. We hope to commence this work as soon as possible, upon approval of this Sundry NOI.
