Re: NMSF-078621 (GC)
3107.2-2 (21110)

This sundry is submitted to inform the BLM that we have received the signed farmout agreement from our partners. Maralex can now continue with its plans to recompleate the well and turn the well to sales, however, we request at least sixty (60) days to execute and finish the recompleation work, construct approximately 1400 feet of pipeline and have a new hot tap set by Enterprise Field Services.
