13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.

Please reference BLM letter dated March 14, 2008

On 2/22/07 BP spud the above mentioned well and set surface pipe. After a thorough and complete review of this location BP has determined not to complete said well.

BP respectfully requests permission to plug above mentioned surface hole as follows:

1. Blow well dry with coiled tubing
2. Pump to surface approximately 5 1/2 yard ready mix cement
