13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) \*

This wells compressor had a catastrophic failure and we are in the process of re-packaging the compressor and should have it on in early September. We have tried to sell gas through the meter but the well will not build enough pressure to sell. Dugan Production Corp. requests a suspension of operations.
