13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work)*

This well has a hole in the tubing and does not have any oil production for the month of August.
We should have a rig available early next month and be able to have production in September.
Dugan Production Corp. requests a 30 day suspension of operations.
