Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Chaparral Oil and Gas Company has applied to the NMOCD for permission to surface commingle the gas production from the Francis #1 (Basin Fruitland Coal) with the Francis #2 (Kutz Fruitland Sand) in order to utilize a common compressor and metering facility. Both wells are on the same Federal lease and the ownership in both wells is identical
