13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Elm Ridge Exploration Co. LLC requests approval to downhole commingle production from the Basin Dakota (71599) and the Bisti Lower Gallup (5890). Production allocations are based on total production for each zone for 2007 and 2008 (through August): Basin Dakota: Water: 50% Oil: 0% Gas: 10% Bisti Lower Gallup: Water: 50% Oil: 100% Gas: 90%. Elm Ridge owns 100% GWI in both pools. DHC will allow an economical method of production while preventing waste as this well approaches the end of its productive life. The BLM was notified of our intent to DHC via Form 3160-5.
