13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof)
If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.

RCVD FEB 13 '09

Tubing Exception will Expire 3/10/09

BP respectfully requests an extension to Tubing Exception (Rule 107) due to remote location and bad roads getting to the location.

Date of first production was 1-24-2009.

An extension to May 24, 2009 will allow safe access to the location to recover pressure gauges and lowering tubing.

NMOC D APPROVAL EXPIRES MAY 24, 2009
