13. Describe Proposed or Completed Operations

Burlington Resources will be completing the subject well to both the Fruitland Coal and the Pictured Cliffs instead of just the Fruitland Coal as permitted with the APD. The revised plat is attached and the DHC application will be submitted once the APD is approved. Also attached is the EA on the subject well since Category Exclusion are no longer accepted in the approval process since the RMP expired 9/30/03. The original APD was submitted 4/10/08.
