13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Williams Production Company, LLC is seeking an extension of seven days into winter closure to finish the cavitation on the above well. Due to unforeseen circumstances Williams is unable to effectively complete this well before winter closure. If approved Williams will immediately close the pit and rehab location after moving rig off location.
