13 Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will performed or provide the Bond No on file with the BLM/ BIA Required subsequent reports shall be filed within 30 days following completion of the involved operations If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed Final Abandonment Notice shall be filed only after all requirements, including reclamantion, have been completed, and the operator has determined that the site is ready for final inspection)

Questar Exploration & Production Company plugged and abandoned the Bobby B #2 well on May 14, 2007.

Production equipment was removed from the location in November of 2006.

Since resloping on the location was required per Bob Switzer with the Farmington BLM Field Office, Questar resloped the location prior to seeding.

The location was ripped and seeded on November 12, 2008.

If you have any questions or concerns, please contact Sarah Boxley at (303) 672-6916.
