**13. Describe Proposed or Completed Operations**

In response to the BLM's letter dated 3/16/09 from Steve Mason, this sundry is to answer the BLM's question as to when this well is scheduled to be completed. This well was drilled in the fall of 2008 and due to wintering restrictions was unable to complete the well until after April 1. Plans are to have this well completed before November 1, 2009.
