Ref: Request For A technical Report of the Results of the Pilot CO2 Sequestration injection
Project Within the Basin-Fruitland Coal Gas Pool Pursuant to Order No. R-12836.

Dear Ms Zubrod:

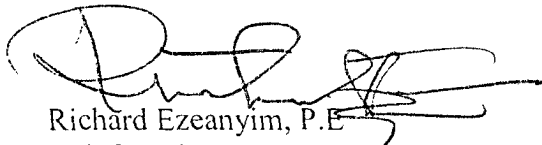

30-045-34305

By Order No. R-12836 issued in Case No. 13933 on October 29, 2007, the Division approved the application of Burlington Resources Oil & Gas Company, LP ("Burlington") to conduct a pilot CO2 Sequestration injection project within the Basin-Fruitland Coal Gas Pool, San Juan County, New Mexico.

It appears that Burlington Resources Oil & Gas Company, LP has successfully concluded this pilot project. Pursuant to Ordering Paragraph Number (18), Burlington is required at the conclusion of this project to furnish to the Division a technical report of the results of this project.

Please furnish the results of this project to the Division on or before December 30, 2009. If you have any questions, please call me at 505-476-3467.

Sincerely,

Richard Ezeanyim, P.E.
Chief Engineer
Oil Conservation Division
