13. Describe Proposed or Completed Operations (Clearly show all pertinent details including estimated starting date of any proposed work and approximate location thereof if the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once Testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Elm Ridge Exploration Co LLC, has completed the work over for the above well as follows;
November 12, 2009-November 16, 2009, Move on to location, Rig up service unit and inspect closed loop system,
