XTO Energy Inc. requests permission to amend the existing surface commingling order PLC-172 by adding in the new drill Ohio D Government #3. This well will have its own allocation meter for gas measurement prior to commingling. Also, the existing order PLC-172 references two sales points, the Ohio E Government #18-1 and the Ohio F Government #1A. XTO has learned that Marathon Oil Company removed the sales point on the Ohio F Government #1A location. No other changes will be made to the existing PLC-172 order.
