NA					
Describe Cause of Problem and Remedial Action Taken.*					
The water tank overflowed into the bermed area. Water truck had been called on 12/21, but it appeared that Key had not pulled the tank.					
Describe Area Affected and Cleanup Action Taken *					
All fluids were contained inside the bermed area. The impacted soils will be raked if necessary to break up any crust that may form.					
I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
