13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

In response to your letter of 3 Feb 10 referencing the above named well, Four Star Oil & Gas Company would like to advise of its intention to plug and abandon this well, which is no longer connected to the flow line. Four Star would like to kindly request an extension of 90 days to fully study the proposed P&A process and to present that process to the BLM for advise and approval. Thank you.
