DIST. 3

Dear Mr. Perrin:

I testified during the March 13, 2008 NM Oil Conservation Commission hearing for Coleman's Case 13812, Order SWD-806-B, API #30-045-21912. The Commission asked in item 20. b. that a quarterly progress report on the Monument #1 SWD be provided. Progress since the last report includes:

10-23-09: BLM approves APD
11-2-09: NMOCD approves APD
2-24-10: BLM approves plugging plan
3-2-10: NMOCD receives BLM approval
3-27-10: Coleman rigs up to plug
3-30-10: Coleman completes plugging

The well was never deepened nor used for water disposal.
Please call me if you have any questions.

Sincerely,

Brian Wood
