Dear Mr. Wyman:

A recent field inspection by personnel from this office reveals that you have drilled and apparently plugged and abandoned a well, 490/N - 992/E of Section 32 Twp 20N - R9W. You have not filed intent to drill, acreage dedication plat, spud notice, completion report, intent to P & A and subsequent report of P & A. We also require copies of any logs on the well.

You are hereby directed to file these reports and any other pertinent data within 15 days. Failure to comply will result in the matter being turned over to our legal department for further action.

If you have any questions, please contact me or Mr. Frank T. Chavez.

Yours truly,
