Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This well has had no production. Dugan Production Corp. submitted a 60 day suspension of operations on 04/26/2010. Dugan Production Corp. now requests a 30 extension. The well has been down for awhile and at this time pumping water. We need to pump longer to reach the oil.
