Dear Ms Wrotenberry:

This well was last approved for commingling by order DHC-2031.

This order approved commingling Basin Dakota, Ice Canyon Gallup, Blanco Mesa Verde and South Blanco Pictured Cliffs by the following allocations.

	<u>Oil</u>	<u>Gas</u>
Basin Dakota	77%	47%
Ice Canyon Gallup	16%	20%
Mesa Verde	7%	14%
Pictured Cliffs	0%	19%

The Mesa Verde zone in this well was producing too much water to maintain production. This zone was plugged and abandoned on April 29, 2003.

Caulkins Oil Company requests allocations to be changed as follows:

	<u>Oil</u>	<u>Gas</u>
Basin Dakota	80%	50%
Ice Canyon Gallup	20%	30%
Pictured Cliffs	0%	20%

If you have any questions, please contact me at 505-632-1544. Thank you.

Sincerely,

Robert L. Verquer
Superintendent
