Gentlemen:

Upon reviewing our records we found the Application for Permit to Drill (APD), Federal lease NMNM 106646, the Right Angle Federal #1 well expired effective December 21, 2003.

Our office has no documentation of the well being drilled. Therefore a new APD must be filed if High Plains Petroleum plans to drill the well in the future.

• If you have questions, contact me at (505) 761-8919.

Sincerely,

David R. Sitzler
