13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

This notice of intent is in response to the Notice of Written Order dated 7/23/2010, reminding Elk San Juan of their requirement to interim reclaim the location of the subject well. Elk San Juan's intention is to plug and abandon this well and another well in the vicinity at the same time. Once the well has been plugged and abandoned to the BLM's standards, the site will be appropriately reclaimed within 180 days of the P&A procedure.
