13. Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will performed or provide the Bond No. on file with the BLM/ BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notice shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

QEP Energy Company (QEP) completed the installation of a pumping unit at its Smith #4 well on 9/28/10, at which time the pumping unit was turned on.

The pumping unit remains in operation.

QEP understands that this Sundry Notice may not be approved until the company/operator name change paperwork changing the company/operator name FROM Questar Exploration and Production Company TO QEP Energy Company is approved (the company/operator name change was effective June 14, 2010). The appropriate paperwork for the name change will be submitted to your office in the near future.

If you have any questions or require additional information, please contact me at (303) 672-6916.
