13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

BP America Production Company respectfully request that our application for permission to convert the subject well from a dual string to a single string producer and commingle production downhole from the Basin Dakota & Blanco Mesaverde Pools be withdrawn.

The well will remain a dual string producer.

14. I hereby certify that the foregoing is true and correct.

Electronic Submission #15731 verified by the BLM Well Information System
