Jim:

I called the BLM and spoke with Stephen Mason in January and told him that the well was owned by Trey Exploration, Inc./ Operated by Hicks O&G and that we were reviewing our data as to recompleting in the Fruitland Formation. He indicated that he was just trying to keep the process going, so I told him I would send him a Sundry Notice as to our intent. I have enclosed a copy of what was sent to him. Burlington is in the process of drafting the paper work and we will be able to notify the BLM as to the plans as soon as the documents are executed.

A handwritten signature in black ink, appearing to be "Bill Jenkins", written in a cursive style.
