Re: South Hospah Unit Well #20

Gentlemen:

The South Hospah Unit Well No. 20, formerly the Hospah "A" #2, was drilled and abandoned prior to Tenneco Oil Company's purchase of the property. Consequently, we do not have a copy of the original surveyor's plat. We are attaching a copy of the plat used to apply for the non-standard proration unit showing the acreage dedicated to this well.

We trust that this will serve the requirements for the dedication plat.

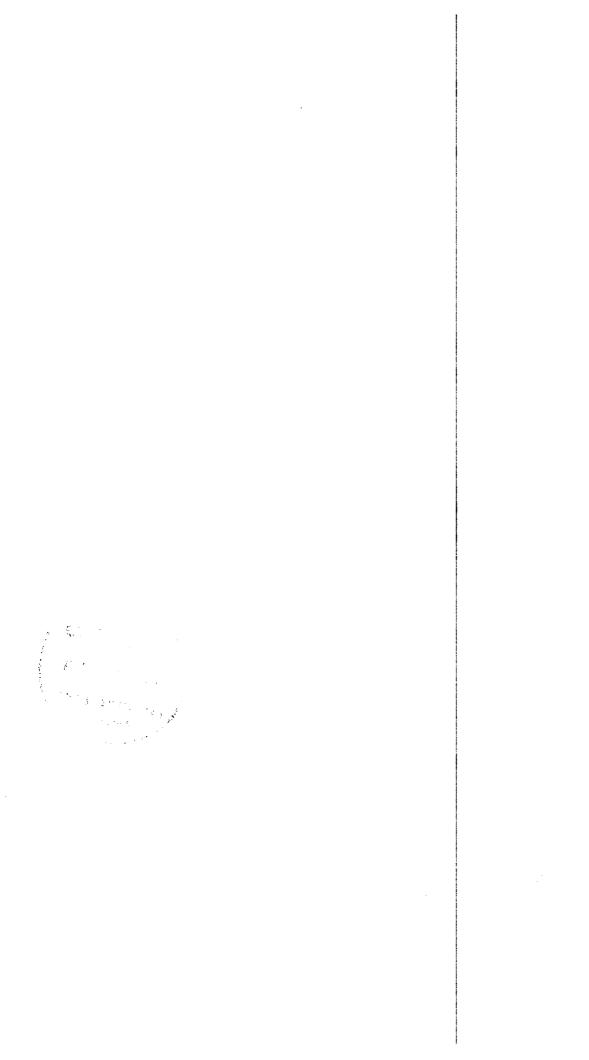

Yours very truly,

TENNECO OIL COMPANY
