Dear Mr. Arnold:

I am in receipt of your May 13 letter concerning conversion of exploratory well drilled to 1945 feet to a water well.

I would appreciate your sending whatever technical information may be needed together with forms, etc., appropriate to this matter to Mr. Orville Moore, Manager, Box 666, Grants, New Mexico.

I have asked Mr. Moore to get together cost information and, since I expect to be in New Mexico within the next couple of weeks, will attend to the matter one way or the other then.

Sincerely,
