Dear Mr. Pasternak:

Please refer to my letter of March 22, 1972, requesting affidavits for conversion to water wells for four of your wells on the Lee Ranch. I stated that we lacked an affidavit for the number 3 well in error. We have the affidavit for the number 3 well. However, we do not have one for the #4 well and I have stated that we do have.

We therefore lack affidavits for the #4, #5, #8 and #10 wells.

I hope that my error has not caused you too much inconvenience.

Will you please submit these affidavits as soon as possible so that we may relieve you of responsibility for these wells?

Thank you.

Yours very truly,

Emery C. Arnold
