Memo

From

Luanne

To High Plains Petro. Corp.
Morris B. Jones

Re: Yates State 1Y, C-18-11N-20W

Please submit information as indicated for the
above well:

- (1) Sundry -date spud, casing size, weight, &
depth set and pressure test of casing (ALL)
- (2) Depth and size of tubing and perforations
if any.
- (3) Notice of intent to Plug & Abandon
- (4) Report of plugging if completed

Plugging procedures and release of bond cannot
be approved until the above is sent in.

If you have any questions, please call.

Thank you,

Luanne
