Mr. W. T. Hollis
Box 997
Farmington, New Mexico

Dear Mr. Hollis:

We enclose signed copy of Administrative Order LPG-4 issued by the Commission to cover the drilling of your company's LPG storage well in NE/4 NE/4 Section 16, Township 15 North, Range 17 West, NHPM, McKinley County, New Mexico.

You will recall that this application was set up as Case 997 and set for hearing before the Commission at the October 15 regular hearing. However, the registered objection was waived prior to the hearing, and the application thereupon reverted to the status of routine request for approval under provisions of Rule 705.

We are forwarding your Form C-101 (Notice of Intention to Drill) to the Commission's Astec office today, together with copy of the approval order.

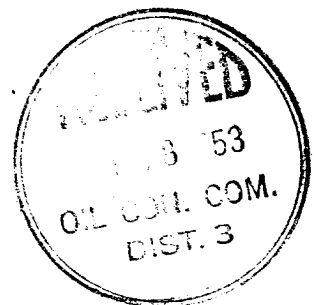

Very truly yours,

WBM:nr
