Dunn #1 (Basin Dakota Gas)
M-10-23N-7W

Dear Bob,

We have a record that shows the above well first delivered gas April 1, 1978. However, we do not have a connection notice or letter of connection and delivery. Would you please forward us two copies of such notice.

Also, the initial deliverability test for the well was due June 30, 1978 and is presently delinquent.

If you have any questions, please call this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
