Dear Madam,

We have received the form letter which you returned to us indicating that the Greathouse well #1 in F-10-23N-1W is being drilled.

I am enclosing a supply of Form C-103, Sundry reports. Please file this form in triplicate indicating the date the well was spudded. If you have installed and cemented any casing in the well include this information on the form also. Please indicate the present status of the well.
