Re: Jicarilla Tribal Contract 47 #19  
H-11-23N-4W

Dear Mr. Welker:

The referenced well has been producing since November, 1987, without an approved C-104. The C-104 you submitted was not approved until February 12, 1988, because of delinquent paperwork. Consequently, all production prior to the approval date is considered overproduction.

Refer to Rule 502 and submit a proposed plan for adjustment to this office.

Sincerely,

A handwritten signature in dark ink, appearing to read "Frank T. Chavez", written over a horizontal line.
