Gentlemen:

Under date of October 7, 1953, we filed a one-well bond in the amount of \$5,000 in the Houston Fire and Casualty Company covering the drilling of a well not to exceed a depth of 1200 feet being the NW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Sec. 14, Township 12N R6E. We do not have any other identifying number or lease description than that. We would like to have you advise us at your earliest convenience if your records indicate whether or not this well has been properly plugged and if so at what date and when we may expect to be released from this bond. An enclosed stamped self-addressed envelope is for your convenience in replying.

Thank you.

Very truly yours,

Paul P. Rubincam
