Mr. Val R. Reese

Albuquerque, New Mexico

Dear Val:

We suspect the enclosed forms C-104 were intended to refer to the W. W. Holmes, Spencer #1, located 1650' FNL and 990' FWL of Section 11, T 18N, R 3W.

We were hesitant to change the section number because of the number of wells W. W. Holmes has drilled in the immediate area.

Please resubmit the forms showing the corrected location or former identity of the well.

Yours very truly,

A. R. Kendrick
Engineer, District #3
