Gentlemen:

Northwest Production Corporation plans to drill a wildcat Dakota oil test in Section 23, T22N, R7W, Sandoval County, New Mexico. In accordance with Rule 104, paragraph (b), sub-sections (1) and (2), request is made to locate this test 1980' FSL and 660' FEL in the NE/4 of the SE/4 of Section 23.

Your early consideration of this request will be appreciated.

Very truly yours,

W. R. Johnston, Manager
Production Operations

RP/nt

*Location OK - not much
chance for gas production*
