Re: Lynco Oil Co.
Humble Dakota #1
A-21-22N-2W

Dear Mr. Fundingsland:

We need Form C-102, Acreage Dedication Plat, filed in duplicate for the subject well for acreage dedication. They do not need to be certified by the surveyor.

The proper acreage dedication is 40 acres for oil or 160 acres for gas.

We prefer to use the term Mancos for this area to allow all porosity intervals therein; ie. Gallup, Sanastee, Carlisle, etc. to contribute to the production in an effort to make the wells economically feasible to drill.

If there are conditions that would cause the joining of these formations we have not been made aware of them.

If there are questions, please contact us.

Yours very truly,

A handwritten signature in cursive script that reads "A. R. Kendrick".

A. R. Kendrick
Supervisor, District #3
