Dear Doug:

We have received Forms C-104, C-110 and Federal Well Record on your #7 Jicarilla Apache well in Section 33-23N-3W.

In checking our records it seems we have never received our two copies of the Federal Notice of Intention to Drill, along with Form C-128, Well Location and Acreage Dedication Plat. We will be unable to assign an allowable and approve Form C-110 until we have this information. Will you please forward these forms to us.

Yours very truly
