1000 Rio Brazos Road
Aztec, New Mexico

Attention: Mr. Emery Arnold

Gentlemen:

Tenneco Oil Company has completed it's core test operations in the Torreon Area of Sandoval County, New Mexico.

We had filed permits to drill Torreon Core Holes #1 through #8, only wells #1, 2, 4, and 7 were drilled. These wells have been plugged and abandoned in accordance with the State of New Mexico and the U. S. Geological Survey regulations. The wells which have not been drilled will not be drilled and outstanding permits should be cancelled.

None of the information concerning this project is considered confidential by Tenneco. Your cooperation in this matter is appreciated.

Yours very truly,

TENNECO OIL COMPANY

L. B. Plumb
District Engineer
