Cinco Diablos No. 11  
Sec. 19, T23N-R3W  
Sandoval County, New Mexico

Mr. A. L. Porter, Jr.  
Secretary Director  
New Mexico Oil Conservation Commission  
P. O. Box 2088  
Santa Fe, New Mexico 87501

Dear Mr. Porter:

Mr. H. K. Kessee drilled and completed in July, 1968, its Cinco Diablos No. 11 well in Unit "P" of Section 19, T23N-R3W, Sandoval County, New Mexico. Kessee desires to include the two lots on the west side of Section 19 in order to increase the allowable for their referenced well from 160 acres to 197.97 acres.

This will constitute our waiver letter to you indicating that Pan American, as leasehold owner of adjoining Sections 24 and 25, T23N-R4W, to the west and southwest of said Section 19, has no objection to the Commission's granting Kessee such an allowance due to the irregular size of Section 19.

Yours very truly,
