Re: Guadalupe Exploration Corp.
#1 Taylor Ranch

Dear Ed:

I just stopped by the Dresser-Atlas office in Farmington and asked if they could make me a copy of each log on the captioned well.

They advised me that they had sent the negative to you and had no way of making a copy.

I was also advised that they have not had time to advise you to return the negative.

Please send the negative somewhere so that you can provide us with the required copies.

Yours very truly,

A. R. Kendrick
