Gentlemen:

Relative to your letter of November 10, 1966, I wish to apologize for the error in my letter of October 31, 1966, to the State Tax Commission wherein I requested that they discontinue tax assessment on the equipment located on the subject lease.

This well has not been plugged and abandoned, as was stated in my letter, but was temporarily abandoned and the pumping equipment removed from the location. It is our plan to, within the near future, completely abandon this well or repair and squeeze a hole in the casing at approximately 4000 feet, which at this time has caused the well to be non-productive.

If it is necessary to file a temporary abandonment form, please furnish us with same and we will be glad to fill it out and return it to your office.

Thank you for this inconvenience.

Yours truly,

Noel Reynolds
