Attention: Mr. R. R. McCarty

Administrative Order NSL-127

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Chaco Unit Well No. 4, located 1130 feet from the North line and 1130 feet from the East line and in the NE/4 NE/4 of Section 10, Township 22 North, Range 8 West, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 of said section.

By authority granted me under provisions of Rule 104 (f) of the Rules and Regulations of the New Mexico Oil Conservation Commission, you are hereby granted an exception to Rule 104 (b) (2) for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey, if this well is on Federal lands.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

U.S. COMMISSION ON CONSERVATION

P. O. BOX 237

SANTA FE, NEW MEXICO

January 2, 1960

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

I am writing to you regarding the recent discovery of a large number of small, dark, irregularly shaped objects, possibly of biological origin, found in the vicinity of the Santa Fe, New Mexico, area. These objects were found by a local resident who has been in the area for some time. The objects are small, dark, and irregularly shaped, and are found in the vicinity of the Santa Fe, New Mexico, area.
