Dear Mr. LaRue:

I am returning Form C-128 "Well Location and Acreage Dedication Plat" which you submitted on your #3 Kinneadeto Unit well in the NE $\frac{1}{4}$ Section 27-23N-10W.

As you have spaced this well as a wildcat oil well the proper acreage dedication should be 40 acres. Please outline the 40 acres to be dedicated on the face of the plat and answer the questions regarding ownership at the top of the page. The form should also be signed by the operator or his representative on the right hand side.

In the event of gas production your location would become unorthodox and it would be necessary that a hearing be conducted before approval could be secured for the production of gas.

We are sending a book of Rules and Regulations and call your attention to Rule 104 found on Page 11.

If we can be of any further assistance, please contact us,

Yours very truly

*Emery C. Arnold
Supervisor, District #3*
